INTRODUCTION

The Division of State Court Administration was established by statute as an office of the Indiana Supreme Court and particularly the Chief Justice. The office began operation in 1976 and the first comprehensive report was published in 1977. Pursuant to IC 33-2.1-7-3 and administrative rules of the Indiana Supreme Court, this office is charged with collecting and compiling information on the judicial work of the courts and on the funds generated by and expended on the operation of the court system. The period of time covered by this report is the calendar year 1987.

The information has been divided into 3 volumes. Volume I is a summary report containing data on total statewide caseload and financial informaiton together with caseload of the Indiana Supreme Court, Court of Appeals and the Tax Court.

Volume II contains the same data for each court and county in Indiana.

Volume III contains information which further defines the caseload statistics. It contains caseload information for each court and county on the method of disposition.

The information published in this annual report relating to trial courts is compiled from summary caseload data provided quarterly and summary fiscal data provided annually. The caseload data relating to the Supreme Court, Court of Appeals and Tax Court is provided by their respective administrative offices. The state-level fiscal data is derived from the annual report of the Auditor of the State.

In that summary data is being used, it should be noted that this report is not intended to be an exact accounting of funds or a complete detailing of every judicial decision. It is only presented as a reasonably accurate overview of the administrative aspects of the Indiana Judiciary. As such, it is intended to be used by trial judges in evaluating their performance and monitoring the caseloads in their respective courts; by trial judges and county councils in the budgeting process; by the General Assembly and its Committees in their oversight of judicial administrative activities, and by the Indiana Supreme Court in meeting its superintendent responsibilities. Additionally, the information published in this report is intended to provide a continuous factual basis for long-term judicial planning in the State of Indiana.

The Division of State Court Administration welcomes comments or suggestions concerning the presentation of the data in this report.

INDIANA'S JUDICIAL SYSTEM

OVERVIEW

The Constitution of Indiana sets out the three branches of state government, the Legislative, the Executive including the Administrative, and the Judicial. The Constitution also provides that the judicial power of the State of Indiana is vested in a Supreme Court, a Court of Appeals, Circuit Courts and such other courts as the General Assembly may establish. The Supreme Court and the Court of Appeals are the appellate level courts, while the Circuit Courts are the courts of general jurisdiction.

Traditionally, Indiana's trial court system has been organized on a county basis through enabling legislation establishing courts in specific counties. As provided in the Constitution, the state has been divided into circuits which are based on county lines and a circuit court judge is elected for each circuit. Some of the less populous counties have been joined together into one circuit, although today there remain only two such circuits comprised of two counties.

As local needs grew and more trial courts became necessary, the Legislature created additional courts of general and limited jurisdiction, but such courts continued to be structured on a county basis with the county bearing all expenses for court operations, save a portion of the judge's salaries. The superior and county courts are such legislatively created courts. The Tax Court is another legislatively created appellate level court. For the most part, superior courts have general jurisdiction just as the circuit court while the county courts have more limited jurisdiction.

Due to this autonomous nature of the trial courts, there is little uniformity in many of the administrative operations within the judicial system. Employment of court personnel, funding, use of technology and many aspects of record keeping and court operations are handled at the local level. As a result, court structure and court related services can vary widely from county to county. All counties have a circuit court (four of the ninety-two share two judges). In addition, some counties may have superior courts, county courts or both. Marion County (which has no county courts) is the only county with Municipal Courts and distinct Small distinct Small Claims Courts. St. Joseph county is the only county with a specialized probate court.

Legislation also exists enabling cities and towns to establish city and town courts. In the majority of instances, city and town courts are used for traffic matters. The city and town court judges are not required to be attorneys.

Following is a description of the types of courts and numbers presently existing in Indiana. For specific listing of courts in each county, see appendix "1987 Trial Judges."

SUPREME COURT

The Indiana Supreme Court consists of five justices, one of whom is the Chief Justice of the State (selected by the Indiana Judicial Nominating Commission).[2]

The Supreme Court has no original jurisdiction except in (a) admission to the practice of law; (b) discipline and disbarment of those admitted; (c) unauthorized practice of law; (d) discipline, removal and retirement of judges; and (e) exercise of jurisdiction by other courts.

Its appellate jurisdiction includes appeals from judgments imposing a sentence of death, life imprisonment or imprisonment for a term greater than 10 years; appeals from the denial of post-conviction relief in which the sentence was death or life imprisonment; cases where a state or federal statute has been declared unconstitutional; appeals from denial of release in habeas corpus cases arising out of criminal, extradition or mental health proceedings; and, on petition, cases involving substantial questions of law, great public importance, or emergencies.[3]

Lengthier statutory sentences and habitual offender laws have lead to an increase in the criminal appeals coming before the Indiana Supreme Court, resulting in less time available for civil appeals which are taken on petition. In 1987, the General Assembly passed House Joint

[2] Ind. Const., Art. 7, Sec. 2; IC 33-2.1-2-1.

[3] Ind. Const., Art. 7, Sec. 4; Ind. Rules of Ct., App. Rule 4.

Resolution 1[4] which amends Article 7, Section 4 of the Indiana Constitution to provide that criminal appeals from judgments imposing a sentence of death, life imprisonment or imprisonment for a term of greater that 50 years (as opposed to 10) shall go directly to the Supreme Court. A referendum vote on this constitutional amendment is scheduled for the 1988 Fall election.

The justices of the Supreme Court are appointed by the Governor after nomination by a Judicial Nominating Commission. After an initial two-year term, they run on a "Yes--No" retention ballot, and, if successful, they then serve ten-year terms.

COURT OF APPEALS

The Court of Appeals became a constitutional court under a 1970 revision of the Constitution. The Judicial Article provides that the state be divided into geographic districts by the General Assembly, and that each district have three judges.[5] Presently, the court has four districts, with a total of twelve judges.[6] The twelve judges select one of their number as Chief Judge, and each district elects a Presiding Judge.[7] The Court of Appeals has no original jurisdiction except as authorized by Supreme Court rules to review directly final decisions of certain administrative agencies.[8] It has jurisdiction over all appeals not taken to the Supreme Court.

The judges of the Court of Appeals are selected in the same manner and serve the same terms as the Supreme Court Justices.

TAX COURT

The Indiana Tax Court came into existence on July 1, 1986. The Tax Court is an appellate level court with one judge who is selected in the same manner as are judges of the Court of Appeals.[9] The Tax Court has exclusive jurisdiction in original tax appeals which are defined as any case that arises under the tax laws of this state and is an initial appeal of a final determination made by (1) the Department of State Revenue; or (2) the State Board of Tax Commissioners.[10] The principal office of the Tax Court is located in Indianapolis although a taxpayer may select to have all evidentiary hearings conducted in one of seven other specifically designated counties.

The Tax Court must also maintain a small claims docket for processing (1) claims for refunds from the Department of Revenue that do not exceed $5,000 for any year; and (2) appeals of final determination of assessed value made by the State Board of Tax Commissioners that do not exceed $15,000 for any year.[11] Appeals from the Tax Court are taken directly to the Supreme Court.[12]

CIRCUIT COURTS

The Indiana Constitution directs that the state be divided into several circuits by the General Assembly and that a judge be elected for each circuit.[13] Eighty-eight of a total of ninety-two counties, constitute eighty-eight circuits, while the remaining four counties are in two "joint" circuits with two counties each.

The Circuit Courts are vested with unlimited trial jurisdiction in all cases, except when exclusive or concurrent jurisdiction is conferred upon other courts. They also have appellate jurisdiction over appeals from City and Town Courts.[14]

In twenty counties[15] the Circuit Court maintains small claims and misdemeanor divisions. Civil actions in which the amount sought to be recovered is less than $3,000 and landlord and tenant actions in which the rent does not exceed $500 per month may be filed on the small claims docket.[16] Class D felonies, all misdemeanors, infractions and ordinance violations are heard on the minor offenses docket.[17] Cases on the small claims docket are heard under a more informal atmosphere and without a jury.[18] In the remaining counties, the small claims docket and minor offenses docket have been established within either the Superior or County Court of the county. The caseload on these dockets is referred to as the "County Court Function" or "CCF" of the Circuit or Superior Court.

The judges of the Circuit Courts (with the exception of the Vanderburgh Circuit Court where the judge is elected in a nonpartisan election)[19] are elected every six (6) years by the voters of each circuit.[20]

SUPERIOR COURTS[21]

Superior Courts are created by the General Assembly as local judicial needs change. Though their organization and jurisdiction may vary from county to county, for the most part, they are courts of general jurisdiction. They have the same appellate jurisdiction as Circuit Courts over appeals from City and Town Courts.[22]

As of December 31, 1987, there were one hundred twenty (120) Superior Courts with one of them being a joint court serving two counties. In some of the counties, statutory language sets up one unified Superior Court with two or more judges, while others, through internal rules, operate their courts as unified county systems. Thirty counties have their small claims and minor offenses divisions within the Superior Courts (Adams, Allen, Bartholomew, Boone, Cass, Clay, DeKalb, Delaware, Dubois, Fayette, Gibson, Hendricks, Jasper, Johnson, LaPorte, Miami,

With the exception of four counties, the Superior Court Judges are elected for six-year terms at the general election.

In Lake and St. Joseph counties, the Superior Court Judges are nominated by a local nominating Commission and then appointed by the Governor for a six-year term. Thereafter, they run on a "Yes -- No" retention ballot. The judges of the Vanderburgh Superior Court are elected in nonpartisan elections. In Allen County the Superior Court judges are elected at the general election on a separate ballot without party designation. Vacancies, however, are filled by the Governor from a list of three candidates nominated by the Allen County Judicial Nominating Commission.

PROBATE COURT (St. Joseph County)

The St. Joseph Probate Court is the only specialized Probate Court left in Indiana. The Court has one judge and has original jurisdiction in all matters pertaining to the probate of wills, appointment of guardians, assignees, executors, administrators and trustees, settlements

of incompetents' estates and adoptions.[24] The court also has exclusive juvenile jurisdiction.[25]

The judge is selected by the legal voters of the county at a general election for a six-year term.

MUNICIPAL COURT (Marion County)

The Marion County Municipal Court serves the City-County consolidation of Indianapolis-Marion. The court has fifteen judges, fourteen of whom are trial judges, and one a presiding judge. It has concurrent jurisdiction in all Class D felonies, misdemeanors, infractions, and local ordinance violations. The court has jurisdiction to issue warrants upon probable cause for misdemeanors and felonies committed in the county and to conduct probable cause hearings, to determine sufficiency of recognizance and surety in felony cases, and, upon probable cause determination, to bind such cases over to a court with felony jurisdiction. The Court's civil jurisdiction is concurrent with the Superior and Circuit Courts in all civil cases founded on contract or tort which do not exceed $20,000, and, irrespective of the value of property, in possessory actions between landlord and tenant.[26] The court also has jurisdiction (in the mental health division only) to declare and administer temporary guardianships in conjunction with mental health proceedings involving voluntary and involuntary mental commitments. Appeals from the Municipal Court are taken to the Court of Appeals.[27] The Court also has appellate jurisdiction in cases appealed from the Marion County Small Claims Courts.[28]

The Judges of the Marion County Municipal Court, including the Presiding Judge, are nominated by a local nominating commission and then appointed by the Governor for a four-year term.[29]

COUNTY COURTS[30]

The County Courts began operating on January 1, 1976, when the majority of the Justice of the Peace Courts went out of existence. Since their establishment, there has been a steady move toward restructuring such courts into superior courts with small claims/misdemeanor divisions. As of December, 1987, there were forty-seven (47) County Court Judges in fifty-one courts, with some counties sharing a court,[31] and others having more than one.[32]

The County Court has original and concurrent jurisdiction in all civil cases founded in contract or tort where the damages do not exceed $10,000, possessory actions between landlord and tenant, all actions for the possession of property where the value of the property sought to be recovered does not exceed $10,000, Class D felonies, misdemeanor and infraction cases, and violations of local ordinances.[33] The County Court also has a small claims docket similar to that of the Circuit Court. Civil cases of up to $3,000 and possessory actions between landlord and tenant, where the rent does not exceed $500 per month may be filed on this small claims docket.[34]

The County Courts have been specifically precluded from exercising any jurisdiction over cases involving injunctive relief, partition of or liens on real estate, paternity, juvenile matters, probate, receivership or dissolution of marriage. The Court may conduct preliminary hearings in felony cases.[35]

Appeals from the County Court, including its small claims docket, go to the Court of Appeals in the same manner as appeals from the Circuit and Superior Court.

The County Court judges are elected by the voters of the county or counties which the court serves for a six year term.[36]

[30] See footnotes to Appendix -- "1987 Trial Court Judges" -- for changes which have been enacted but were not in effect in 1987.

[31] There are 2 joint county courts: Fulton-Pulaski; Greene-Sullivan.

CITY AND TOWN COURTS

Under a 1975 plan reorganizing Indiana's lower court structure, city and town courts were scheduled to go out of existence on December 31, 1979.[37] Since that time there have been several legislative amendments extending their term. The present status is that a second or third class city or a town may, by ordinance, establish or abolish a city or town court during 1986 and every fourth year thereafter. However, a city or town court which was in existence on January 1, 1986, may continue in operation until it's abolished by ordinance.[38]

A city or town which establishes or abolishes its court must give notice to the Office of State Court Administration.[39] There are fifty-two (52) city courts and twenty-four (24) town courts.

Jurisdiction of city courts varies depending upon the size of the city. All city courts have jurisdiction of city ordinance violations, all misdemeanors and infractions.[40] The city courts have civil jurisdiction of cases where the amount of controversy does not exceed $500. They have no jurisdiction in actions for libel, slander, real estate foreclosure, where title to real estate is at issue, matters relating to decedent's estates, actions in equity and actions involving the appointment of guardians.[41] The civil jurisdiction of city courts in Lake County extends to cases where the amount in controversy does not exceed $2,500.[42] The city courts in Lake County also have extended criminal jurisdiction so that they may hear cases involving violations of all state statutes but can only impose a fine of up to $1,000 and a sentence of not more than one year.[43] A city court in a third class city which is not a county seat[44] has civil jurisdiction of cases involving up to $1,000. City and Town courts are not courts of record, and appeals are tried _de novo_ in the circuit or superior court of the county.[45] Appeals from the Lake County city courts require some assignment of error in that the filing of a motion to correct errors appears to be a prerequisite.[46]

Town Courts have exclusive jurisdiction of all violations of town ordinances and jurisdiction of all misdemeanors and infractions.[47] Appeals from judgments of a town court are also taken to the circuit or superior court of the county.[48]

City and town court judges are elected for four-year terms by the voters of the city or town. There is no requirement that they be attorneys, and the majority are lay persons.

SMALL CLAIMS COURTS (Marion County)

The Marion County Small Claims Court has eight divisions based on township lines and has territorial jurisdiction throughout the county. The court's trial jurisdiction is concurrent with the Circuit, Superior and Municipal Courts in all civil cases founded on contract or tort in which the claim does not exceed $3,000,[49] in actions for possession of property where the value of the property sought to be recovered does not exceed $3,000,[50] in possessory actions between landlord and tenant in which the past due rent at the time of filing does not exceed $3,000. The Small Claims Court has no jurisdiction in actions seeking injunctive relief or involving partition of real estate, or to declare or enforce any lien thereon (with certain exceptions), or in cases in which the appointment of a receiver is asked, or in suits for dissolution or annulment of marriage. The Court also has jurisdiction to hear petitions for temporary protective orders.[51] The Small Claims Court is not a court of record,[52] and the appeals are tried de novo in the Marion Municipal Court in accordance with rules established by the Municipal Court.[53]

The small claims court judges are elected by the voters within the township in which the division of the court is located. The judge serves a four-year term.

[1] The Supreme Court granted transfer on one juvenile appeal. Juvenile cases carry their own designation ("JV") in the cause number.

[2] Appeals from the Board of Law Examiners wherein applicants are appealing their bar test results are given an Out of State designation rather than showing the county of residence as a device to protect the identity of the applicant. As such, not all appeals from the Board of Law Examiners are from Out of State.

CASELOAD OF TRIAL COURTS

The trial court caseload data reflected herein was reported by the trial courts on a standard form (Quarterly Case Status Report) filed on a quarterly basis. These reports contain information on the cases filed (including those that are received on a change of venue), disposed and pending at the beginning and end of the reporting period. This information is categorized by type of case based on classification which corresponds to a state-wide case numbering system. The reports also show the method of disposition for the type of cases. Other matters, such as number of days with Judge Pro Tempore, number of trials disposed by Special Judges, number of cases heard or disposed by Masters, the use of Court Commissioner or Referee, and the number of days the Judge served in another county are also reported, but are not reflected in this report. The information submitted on a quarterly basis has been combined and is presented here as yearly totals.

The caseload information is presented in Volume II on a county-by-county basis with separate sub-totals for the courts of record and the other minor courts within the county. Volume I contains totals for the entire State The case type designations have been abbreviated and correspond to case type designations used in a state-wide uniform case numbering system.

As used in this Report, the following definitions apply:

CP - Civil Plenary: This category is intended to cover the basic civil case not otherwise specifically listed on the form. It will generally include actions founded in tort and contract, actions dealing with real and personal property, as well as actions seeking equitable or injunctive relief.

SC - Small Claims: This category reflects the civil small claims filed on the small claims docket of the circuit, superior or county courts.

Re-docketed Civil: This category is intended to cover the proceedings which arise following the disposition of a civil matter. This category includes cases which are reversed on appeal, cases which are retried by reason of a ruling of the trial court, and proceedings supplemental.

DM - Domestic Relations: This category reflects actions involving dissolutions of marriage, petitions for support, annulments and legal separations.

Re-docketed Domestic Relations: This category reflects matters which are reopened after an initial resolution. Most frequently, this category would consist of petitions for modification of custody or support. Actions for reciprocal enforcement of child support are included in this category.

MH - Mental Health: This category is intended to reflect proceedings involving mental health commitments. A proceeding seeking temporary commitment, an extension of temporary commitment, regular commitment or termination of a commitment would be reported in this category.

AD - Adoption: This category reflects the filing of petitions to adopt.

ES - Estates: This category reflects those causes which involve the probate of estates. Claims against the estate which are transferred for trial are listed as "Civil" matters.

GU - Guardianship: This category is intended to reflect the number of guardianships that are before the court during the reporting period. When application for appointment of a guardian is filed, the report reflects a "new filing" under this category. When the guardianship is discharged, the guardianship is considered closed and is counted out of the system.

TR - Trusts: As with guardianships, this category reflects trusts which are before the court during the reporting period.

MI - Miscellaneous: This category reflects routine civil matters which do not relate to any other pending litigation. This would include petitions for name change, appointment of appraisers, marriage waivers, tax warrants and petitions for temporary protective orders.

CF - Criminal Felony: This category covers all cases filed as felonies. If a defendant is charged with both, a felony and misdemeanor, the case is counted one time under the most serious charge.

CM - Criminal Misdemeanor: This category covers those criminal cases which are filed as misdemeanors.

Re-docketed Criminal: This category reflects those criminal matters (Felony and Misdemeanors) which have been reopened after being initially decided. This would include petitions for post-conviction relief, sentence modifications as well as retrials.

IF - Infractions: This category reflects all infraction cases. As with felonies and misdemeanors, when a defendant is charged with multiple offenses of varying severity, the case is reported one time in the category of the most serious offense.

OV - Ordinance Violations: This category reflects those cases where a defendant is charged with violating a local ordinance.

MC - Miscellaneous Criminal: These are criminal matters which cannot be classified as a felony or misdemeanor but which require some amount of judicial scrutiny.

JC - Juvenile CHINS: This category will reflect those juvenile cases before the court where child is alleged to be a child in need of services.

JD - Juvenile Delinquency: This category will reflect cases before the court in which a child is alleged to be a delinquent.

JP - Juvenile Paternity: This category reflects paternity actions filed by any of the parties specified by statute, including the prosecutor.

JM - Juvenile Miscellaneous: This category is intended to include those juvenile matters which are not specifically listed in the previous three categories. An example in this category would be approval by the court of informal adjustments.

Re-docketed Juvenile: This category includes all juvenile matters (CHINS, Delinquency and Paternity) which have been decided and reopened. Examples falling in this category are support and custody modifications in paternity cases, review hearings in juvenile matters and revocation of probation.

1987 FISCAL REPORT

Pursuant to Indiana Code 33-2.1-7-3, the Division of State Court Administration is directed to collect and compile statistical data as to the receipt and expenditure of public moneys by and for the operation of the courts.

This report is intended to only present a general financial overview of the expenditures of Indiana's courts and revenues generated through their operation. The financial information is gathered on an annual basis at the end of each calendar year. This is a manual data gathering system whereby each court prepares a form and forwards it, by mail, to the Division of State Court Administration. The reporting forms call for the court's requested and approved budget, the actual expenditures and the amounts collected by the clerk through the various fees and costs. This publication, however, reflects only the expenditure and revenue data; the requested and approved budgets are available but are not published here.

EXPENDITURES

The Supreme Court, Court of Appeals and Tax Court are funded through appropriations from the State general fund. The Indiana State Auditor's Report provides information as to the expenditures on these courts and on other state level expenditures on related functions.

Indiana's trial courts are funded through appropriations from the respective county's general fund. State funds are used only for portion of the judges' salaries[1] and for special judge expenses.[2] In some of the more populous counties, separate budgets are maintained for probation services, juvenile services and pauper defense services. These expenses have been included in the final totals. Expenditures which have not been included are those that do not directly relate to the court's operation, such as the prosecuting attorney's office or the clerk.

The city and town courts are funded by the respective municipalities. In many instances a distinct city or town court budget is not maintained, and all expenses are paid directly from the local general fund. This practice makes it extremely difficult to provide accurate expenditure information on the city and town courts.

The Marion County Small Claims Courts are funded by the respective townships through budget appropriations.

REVENUES

Revenues generated through the operation of the trial courts are collected, accounted for and disbursed by the Clerk of the Circuit Court, an independently elected constitutional office. The Clerk of the Circuit Court also functions as the clerk of the county and as such performs many other functions not related to court operations.

These revenues are generated primarily from filing fees, costs and fines assessed to the litigants. They are disbursed to either the state, county or local general fund or to a long list of special funds established by the Legislature for specific programs and services. In order to provide the information needed to fulfill this requirement, trial courts must invariably rely on the figures provided to them by the Clerk's office which actually collects the moneys. As a result, the revenue reporting forms have been designed to correlate the fee collection reports used by the clerks. This is important as it underscores the nature of the data presented in this report and the fact that it is not intended as an actual accounting of receipts.

Revenues generated through the city, town and Marion Small Claims Courts are collected by the local clerk and disbursed pursuant to statutory provisions. The only direct payment fee in existence is the personal service of process fee charged to small claims litigants in the Marion County Small Claims Courts. This fee goes to the constable and his deputies.[3]

Prior to a 1987 Legislative amendment,[4] court costs and fees were collected under a complex and burdensome structure which provided for more than twenty different fees to be charged in different cases and disbursed to different funds. Effective July 1, 1987, the Legislature enacted a more rational and simplified schedule of court costs.

Because of this mid-year revision, the revenues reported herein are divided in two, those collected in the first half of the year pursuant to the old statutes, and those collected under the new system.

COURT COSTS AND FEES IN EFFECT FROM 1/1/87 TO 6/30/87

Following is a summary of the origin and distribution of the fines and fees reflected as "Revenues" section for the first half of 1987.

1. Court Costs: This category represented the standard docket fee and was designated for the county general fund. It included a clerk's service fee which varied depending on the type of proceeding.[5]

Included in court costs was a $10.00 fee charged to the defendant upon a conviction for a felony or misdemeanor on the regular docket of the circuit and superior court.[6]

2. State Docket Fees: This fee was designated for the state general fund. It included a $7.00 fee charged in civil actions with a plaintiff and defendant in the municipal and probate courts and on the plenary dockets of the circuit, superior and county courts.[7] Upon conviction or entry of judgment against the defendant in cases on the minor offenses and violations docket, the state docket fee was $5.00.[8]

3. County Docket Fees: This category reflected additional docket fees which were designated for the county general fund. It included a $10.00[9] fee charged in cases on the small claims dockets of the circuit, superior and county courts. Upon conviction of an offense or entry of judgment in a case on the minor offenses and violations docket of a circuit and superior court or in the county court, the county docket fee was $5.00.[10]

The county docket fee in criminal cases and infractions in the Marion Municipal Court was $15.00.[11]

4. Judicial Fees: A judicial fee was charged in all civil cases filed on the plenary dockets of the circuit, superior and county courts and in civil actions in probate or municipal courts.[12] In a civil or criminal proceeding in the circuit, superior, municipal or probate courts, the fee was $9.00.[13] Of the $9.00 fee, $1.30 was deposited with the judges' retirement fund and $7.70 with the state general fund.[14]

5. County Court Judicial Fees: This category reflected a $1.00 judicial fee which was charged upon conviction of an offense or upon entry of judgment in a case within the infraction or ordinance violation jurisdiction of a county court or a case on the minor offenses or violations docket of a circuit or superior court.[15] This entire fee had been designated for the judges' retirement fund.[16]

6. Judicial Salaries Fee: This category reflected a judicial salary fee of $12.00 charged in civil actions in the circuit, superior, municipal, probate and county court; a $2.00 fee charged in dissolution of marriage cases; and $1.00 in proceedings to enforce an ordinance or infraction.[17] This fee was deposited in the state general fund. Included here was also a $2.00 judicial salaries fee charged for reinstating certain cases.[18]

7. Service of Process and Sheriff's Pension Fund: Included in this category were fees set for service of process. Though there was some variance,[19] the basic service of process fee in civil cases was $10.00.[20] These fees were designated for a county police pension fund.[21] If no such fund has been established or if more funds than necessary were collected, the remainder was deposited with the county general fund.[22]

8. Jury Fees: This section reflected fees collected by the clerk for the county general fund. Once a jury was called jury fee of $100 or $50 was charged, depending on the case.[23]

9. Support Fees: This section reflects the fee charged to persons required by a court order to pay support and maintenance. The fee was paid annually and went to the county. Depending on the date paid, it could be $15.00 or $30.00.[24]

10. Fines and Forfeitures: The fines and forfeitures for state law violations are designated for a special state fund, the Common School Fund.[25] The fines for local ordinance violations go to the respective locality. Effective September 1, 1981, many traffic violations were decriminalized and denominated as infractions. As such, they are no longer punishable by fines but by civil judgments (of up to $10,000) for the State. These judgments go to the state general fund. Due to recordkeeping practices by some clerks, this category may not include all infraction judgements because in some cases they may not have been properly distinguished from the fines.

11. Prosecuting Attorneys Fee/Violent Crime Fund Fee. In each criminal matter a prosecuting attorney fee was charged and deposited in specific funds. In cases involving an infraction, the fee was $23.00; in Class B and C misdemeanors, the fee was $28.00; in felonies and Class A misdemeanors, the total fee was $45.00. Of each prosecutor's fee, $4.00 remained with the county general fund and were reflected in this report under "county portion". Three dollars were to be deposited in a county law enforcement continuing education fund. The balance was forwarded to the state where the fee was earmarked further. Four ($4.00) dollars of the state fee were deposited in a law enforcement academy training fund and $1.00 in a law enforcement academy building fund.

In those cases where the fee was $45.00, $15.00 were sent to the violent crime victim's compensation fund, $2.00 in the sex crimes victim services fund and $5.00 to the family violence and victims assistance fund. In those cases where the fee was $28.00, $5.00 also was designated for the family violence and victim assistance fund.[26]

12. Municipal Prosecutor's Fee: A $20.00 fee was charged in cases involving municipal ordinance violations. If collected in Marion Municipal Court, the entire fee was designated for the city. If collected in the circuit, superior or county court, only $15.00 went to the city and $5.00 to the state where it was distributed as $1.00 to the law enforcement academy building fund and $4.00 to the law enforcement academy training fund.[27]

13. Adult Probations User's Fee: This category reflects a fee which is charged to each person placed on probation for a felony conviction. The fee could range between $25.00 to $100.00 as an initial fee and between $5.00 and $15.00 as a monthly fee for each month the person remains on probation.[28] In misdemeanor convictions, the probations user's fee is optional with the court. If imposed, the initial fee cannot exceed $50.00 and the monthly fee cannot exceed $10.00. The funds so collected are deposited in a county supplemental adult probation services fund which is used for probation services.[29]

14. Family Violence and Victim Assistance Fund Fee: This category reflected a $10.00 fee which was charged in all new and redocketed actions for dissolution of marriage, separation or annulment. It was deposited in a state fund specially designated for the purpose.[30]

15. Bureau of Motor Vehicles Fee: A "permanent operator's record fee" was charged for certification of the record of a conviction in traffic cases. The amount varied from $7.50 to $25.00 depending on the offense. The fee was forwarded to the Commissioner of the Bureau of Motor Vehicles and then deposited with a motor vehicles highway account.[31]

19. Fish and Wildlife Fee: This was a $10.00 fee charged in each conviction involving fish and game law violations. It was turned over to the state treasury as part of fish and wildlife preservation fund.[35]

20. Alcohol and Drug Program Fee (optional program): The legislature had empowered the trial courts to establish alcohol and drug treatment programs and to set a program fee between $1.00 and $5.00 to be charged in all cases within the county involving violations of state law or city ordinances.[36] The fee, when collected during the first half of the year, was deposited with a specially designated local fund and used for the designated purpose.

21. Pretrial Diversion Fund (optional program): The legislature had empowered the prosecutor to withhold prosecution in misdemeanors subject to specific conditions; as a condition thereto, the prosecutor could require the payment of an initial user's fee of $50.00 and a monthly fee of $10.00. The money was deposited in a segregated fund to be used for pretrial diversion programs as the prosecutor directs.[37]

22. Marijuana Eradication Program (optional program): The local weed control board could establish a marijuana eradication program and could add a fee of up to $300.00 in all cases involving violations of

COURT COSTS AND FEES IN EFFECT FROM 7/1/87 THROUGH 12/31/87

Effective July 1, 1987, the Indiana General Assembly amended and simplified the court fee structure. In place of the numerous special fees collected and disbursed previously, the new law provides for a single flat filing fee with some additional special fees.

Following is a description of the type of fees reflected in this report for the second half of 1987. The reporting form used to collect information for the second half of 1987 was designed to correspond with the clerks' reporting forms as prescribed by the State Board of Accounts.

1. Court Costs: In every case resulting in a felony conviction a fee of $100.00 is charged;[45] In each action which results in a judgment for a violation constituting an infraction or ordinance, the fee is $50.00;[46] In each juvenile action, the fee is $40.00;[47] In each civil action, the fee is $55.00;[48] The fee in small claims cases is $30.00;[49] (This does not include small claims cases filed in the Marion County Small Claims Courts. The fees in those courts are set out in IC 33-11.6-4-5.) The fee in probate and trust matters is $100.00;[50]

These court costs include service of process by mail, unless service by sheriff is required.[51]

2. Court Costs - State Portion: Of the total amount collected through court costs the clerk of the circuit court distributes semi-annually to the state auditor for deposit in the state general fund, fifty percent (50%) of the amount collected.[52]

3. Court Costs - County Portion: The county share is forty-seven percent (47%) of the total collected from court costs; it is forwarded to the county auditor.[53]

If a county police pension fund has been established in the county, the sheriff may present a claim for each service of process and the county fiscal body will appropriate $12.00 for each claim.[54]

4. Court Costs - City and Town Portion: Three percent (3%) of the collected fees is the qualified municipality share distributed to each city and town maintaining a law enforcement agency that prosecutes at least fifty percent (50%) of its ordinance violations in a circuit, superior, county or municipal court of the county.[55] The county auditor determines the amount to be distributed to each city and town based upon a specific formula; the funds are distributed semi-annually.[56]

5. Court Costs in City and Town Courts: The fees collected through the city and town courts are distributed as follows:

1. Fifty-five percent (55%) semi-annually to the state auditor for the state general fund;

2. Each month the city or town fiscal officer distributed fifteen percent (15%) of the fees to the county auditor as the county share and thirty percent (30%) is retained as the city or town share.[57]

6. Special State Fund: In order to assure funding of the special programs and activities previously supported through fees collected from litigants, the new law provides that twice a year the state auditor must transfer to the state treasurer $4,865,500 for deposit into nine specific funds pursuant to percentages set out in the statute.[58] Those funds are:

Family Violence and Victim Assistance Fund - 15.26%
Judges Retirement Fund - 7.3%
Law Enforcement Academy Building Fund - 4.83%
Law Enforcement Training Fund - 19.54%

8. Infraction Judgments: This category has also remained the same. It reflects moneys collected as infraction judgments in cases involving state law violations.

9. City and Town Infraction Judgments: This category reflects amounts as judgments for local ordinance violations.

10. Vehicle License Fee: This category represents amounts collected as infraction judgments in overweight vehicle cases. These funds go to the State Highway Fund rather than the general fund.[61]

11. Support Fees: This category reflects a fee collected in actions in which a final court order requires a person to pay support or maintenance payments through the clerk. The fee may be $10, $20 or $30 depending on when it is paid.[62]

12. Bond Administration Fee: When a defendant executes a bail bond with the clerk, ten percent (10%) or $50.00, whichever is less, may be retained as the administrative fee which is reflected here.[63]

Effective 7/1/87, when public funds have been expended on defense, an equal amount may be retained and deposited in a Supplemental Public Defender Services Fund established by 33-9-11.5 in counties between 250,000 and 350,000 population. Any amounts collected under these provisions will be reflected under the "other" category.

[59] Effective 7/1/88, the sex crime victim services fund provision will be deleted and the violent crime victim compensation fund percentage will become 12.48%. P.L. 28-1988.

[62] IC 33-19-6-5.
[63] IC 35-33-8-3.

(Effective 1/1/88, the clerk must also collect or retain $5.00 for each bond. This fee is remitted semi-annually to the Public Employees Retirement Fund for deposit in a special Death Benefit Fund. The fund provides a $50,000 lump sum death benefit to the spouse or children of a public safety officer who dies in the line of duty. With the approval of the clerk, this fee may be collected by the county sheriff who remits it to the clerk. This section expires 12/31/93.)

13. Late Surrender Fees: When a bonded defendant fails to appear, a late surrender fee based on a percent of the value of the bond is assessed against the bondsman. This fee is deposited in the police pension trust fund set up under 36-8-10-12.[64]

14. User Fees: This category reflects the total amount of user fees collected by the clerk. These user fees are then deposited with either the county auditor or, in the case of city and town courts, with the fiscal officer of the city or town. The user fee funds are used to supplement the cost of various programs, which were created under prior legislation. The special programs must submit a claim to the county auditor or the city or town fiscal officer who then appropriates the claimed amount from the general user fee fund to the special program or fund.

The county user fee fund consists of and may be used for the following:[65]

1. Pretrial diversion program fee
2. Informal adjustment program fee
3. Marijuana eradication program fee
4. Alcohol and drug services program fee
5. Law enforcement continuing education program fee

All but the informal adjustment program fees are collected by the clerk and are reflected in this report. The informal adjustment fee is collected by the probation departments and may not, at this time, be fully reflected in this report.

The city and town user fee fund consists of and may be used for:[66]

1. Pretrial diversion program fee
2. Alcohol and drug services fee
3. Law enforcement continuing education program fee

[66] IC 33-19-8-3.

The fees which are deposited in the county, city or town user fees fund come from:

> 1. A Marijuana Eradication Program Fee of no more than $300. It may be set by the court pursuant to IC 15-3-4.6-4.1 to be charged in criminal convictions under 35.48-4 (offenses relating to controlled substances) in a county where a weed control board has been established.[67]
>
> 2. An Alcohol and Drug Services Fee may be collected in criminal, infraction and ordinance violations as set by the court pursuant to 16-13-6.1-31(c).[68]
>
> 3. A Law Enforcement Continuing Education Program fee of $3.00 is collected in each criminal, infraction or ordinance violation.[69]
>
> 4. A Pretrial Diversion Program Fee is collected when there is an agreement between the prosecutor and the accused as set out in 33-14-1-7. This fee is $50.00 as an initial fee and $10.00 monthly. It is charged in lieu of the court costs.[70]
>
> 5. An Informal Adjustment Program Fee of $5.00 to $15.00 may be ordered by the court to be paid in cases where a juvenile has been placed in an informal adjustment program prior to having a petition filed.[71]

15. Document Fee: This category reflects fees collected by the clerk for copying and preparing documents.[72]

16. Interest on Investment: This category reflects income generated through deposits of various funds.

17. Fees Collected by Probation Departments: Fees which can be attributed to the operation of the courts and their probation departments have not been reflected in the report for the second half of 1987. These fees are adult and juvenile probation user fees, guardian ad litem and special advocate fees. The new court costs bill made probation departments responsible for collecting these fees. Thus, these fees have not been incorporated in the clerks' report. The same is true with the Infor-

mal Adjustment Program fees which are collected by the probation department and become part of the county user fee fund. Because the clerks' reports have traditionally served as the reference source from which courts obtained their revenue information, the fees collected outside of the clerk's office were not reflected. Future reporting formats will incorporate the fees collected through the probation departments into the courts' revenue reports.

INTRODUCTION

Volume II of this Report reflects caseload and fiscal information for every court in Indiana with sub-totals for each county. This data reflects the number and type of cases filed and disposed in each court. It also reflects the amount of funds expended for the operation of each court and the amounts generated by virtue of the operation of the court. A roster of the number and type of court employees in every court is also reflected here.

For state-wide totals, a discussion of the reported item and a description of the judicial system, the reader should refer to Volume I. Volume III contains data which further defines the way cases are disposed.
